

Checklist for ULAN 2025

Check!	What should you bring?
	Cash! At ULAN, you can only pay for various group orders with cash. Unfortunately, there is no ATM in Calle, so make sure to bring enough with you. Otherwise, you have the option to withdraw cash while shopping in Meschede.
	Sleeping gear + Earplugs Since we'll be sleeping in several large halls, don't forget your <i>sleeping pads/air mattresses</i> and <i>earplugs</i> if you have trouble sleeping near snorers. A blanket or old bed sheet under your air mattress can help prevent it from squeaking. ;)
	Hygiene items The hall is equipped with group showers from the adjoining gym and modern toilets. Please bring your own hygiene products that you need on a daily basis.
	Medication If you need to take any medication, be sure to bring it with you.
	Tech + Games Bring everything you need for gaming at the LAN party! Want to play other games besides Nintendo? No problem! Whether it's PC, PS5, etc. – everything is welcome.
	Headphones / Headsets Unfortunately, we won't be providing headsets for the Splatoon tournament this year. So bring communication devices for your team, as we won't be able to provide them.
	Note: Switch 2 Hardware Very important for everyone: If you're bringing the Switch 2 and absolutely want to play in one of the tournaments using it, be sure to bring the dock and necessary cables. For all tournaments except Mario Kart World, we prefer to use the Switch 1 and only have peripherals available for that console.
	Snacks + BBQ food & sides We at ULAN provide daily breakfast and rolls for the BBQ evening. There will also be a pizza order every evening where you can get something to eat. However, if you want snacks outside these times or are participating in the BBQ evening, please bring your own snacks and food for the grill. There is no supermarket in Calle, but there are some in nearby towns. There are usually some carpool groups that go shopping. ;)
	Seat cushions or your own seating The hall's furniture can best be described as "rustic," so it's a good idea to bring your own seating or at least some comfortable cushions.
	Anything else? Bring whatever you feel like for ULAN! Whether consoles, board games, trading card games, etc. – there are no limits here!
